

Holyoke-Today Congressman John W. Olver (D-1st District) announced that the final version of the funding bill has been passed by the House of Representatives.

"This funding will help the Holyoke Police Department to acquire much needed new technology to enhance public safety."

The funds will allow the Holyoke Police Department to purchase new technology to enhance public safety.

"These funds are going to be a shot in the arm for the advancement of public safety technology."

"In these troubled times, we rely on local police even more than usual, and high quality equipment is essential."

The funds were included in the Department of Justice's COPS Technology program.
